The Biographic Register

1964

Revised as of September 30, 1963

THE *Biographic Register*, issued annually by the Department of State, provides information and background on personnel of the Department of State and the Foreign Service, and of other Federal Government Agencies that participate in the field of foreign affairs.

For members of the Foreign Service, biographies are included for Ambassadors, Ministers, Foreign Service officers and Foreign Service Reserve officers, classes 1 to 8, and Foreign Service Staff officers, classes 1 to 4. Also included are Chiefs of overseas missions and employees of comparable grades of the Agency for International Development, the Peace Corps, the United States Information Agency, and the Foreign Agricultural Service of the Department of Agriculture.

For employees in the Civil Service, biographies cover grades GS–12 and ES–12 and above of the Department of State, the United States Mission to the United Nations, the Agency for International Development, the Peace Corps, the United States Arms Control and Disarmament Agency, and the United States Information Agency.

The name of a foreign language appears at the end of some biographies of Foreign Service personnel. This signifies that the individual has attained a rating in that language of at least S–3 and R–3, through examinations of the Foreign Service Institute held after July 1, 1958.

The *Biographic Register* is prepared by the Division of Publishing Services, Office of Operations. Any inquiries should be addressed to that Division.
